

Start the workshop

This workshop is designed to be run as part of an AWS hosted event such as an Immersion Day. To complete the workshop your facilitator will provide you with a participant hash code, this is the key to unlock your temporary AWS account which has been pre-populated with all the infrastructure and access you will need to complete this workshop. Use Chrome or Firefox to ensure a good experience.

1. Go to Event Engine

Event Engine is the tool that we use to create your temporary AWS account. Connect to the portal by clicking the button or browsing to <https://dashboard.eventengine.run>. The following screen will be displayed.

Who are you?

Terms & Conditions:

1. By using the Event Engine for the relevant event, you agree to the Event Terms and Conditions and the AWS Acceptable Use Policy. You acknowledge and agree that are using an AWS-owned account that you can only access for the duration of the relevant event. If you find residual resources or materials in the AWS-owned account, you will make us aware and cease use of the account. AWS reserves the right to terminate the account and delete the contents at any time.
2. You will not: (a) process or run any operation on any data other than test data sets or lab-approved materials by AWS, and (b) copy, import, export or otherwise create derivate works of materials provided by AWS, including but not limited to, data sets.
3. AWS is under no obligation to enable the transmission of your materials through Event Engine and may, in its discretion, edit, block, refuse to post, or remove your materials at any time.
4. Your use of the Event Engine will comply with these terms and all applicable laws, and your access to Event Engine will immediately and automatically terminate if you do not comply with any of these terms or conditions.

Team Hash (e.g. abcdef123456)

This is the 12 digit hash that was given to you or your team.

✓ Invalid Hash

2. Enter Hash Code

Review the Terms & Conditions and if you agree, enter the hash code provided by your event facilitator. The button on the bottom right corner changes to Accept Terms & Login, select to continue.

3. Pick Sign-in Method

Select **Email One-Time Password (OTP)**, you will be prompted to provide your email address so we can send you a one-time password to access your account. Once you receive the OTP, enter it and Sign-in.

Sign in with

Pick the sign-in method you prefer

Email One-Time Password (OTP)

Enter your personal or corporate email to receive a one-time password

Login with Amazon

Login with your Amazon.com retail account

Amazon Employee

(For Amazon Employees Only) Login with your Amazon Corporate account

[Get help signing in](#)

4. Access Team Dashboard

You will now be taken to the Team Dashboard, from here select **AWS Console**

Team Dashboard

 Event

 AWS Console

 SSH Key

Event: Experian - BIS - EMR Immersion Day

Team Name: (Team Name Not Set Yet)

Event ID: e79eefe6df02459b9977d1c061bbe097

Team ID: 016e3d1faa9e4d35ae6ef7102b925e36

5. Open AWS Console

Almost there, click on **Open AWS Console**

You will not need the **Credentials / CLI Snippets** for this workshop.

Only use your workshop Region

Take note of the Region your workshops has deployed in, you should only use this Region.

AWS Console Login

Remember to only use "" as your region, unless otherwise directed by the event operator.

Login Link

Credentials / CLI Snippets

Mac / Linux

Windows

Mac or Linux

```
export AWS_DEFAULT_REGION=ap-southeast-2
export AWS_ACCESS_KEY_ID=
export AWS_SECRET_ACCESS_KEY=
export AWS_SESSION_TOKEN=
```

How do I use the AWS CLI?

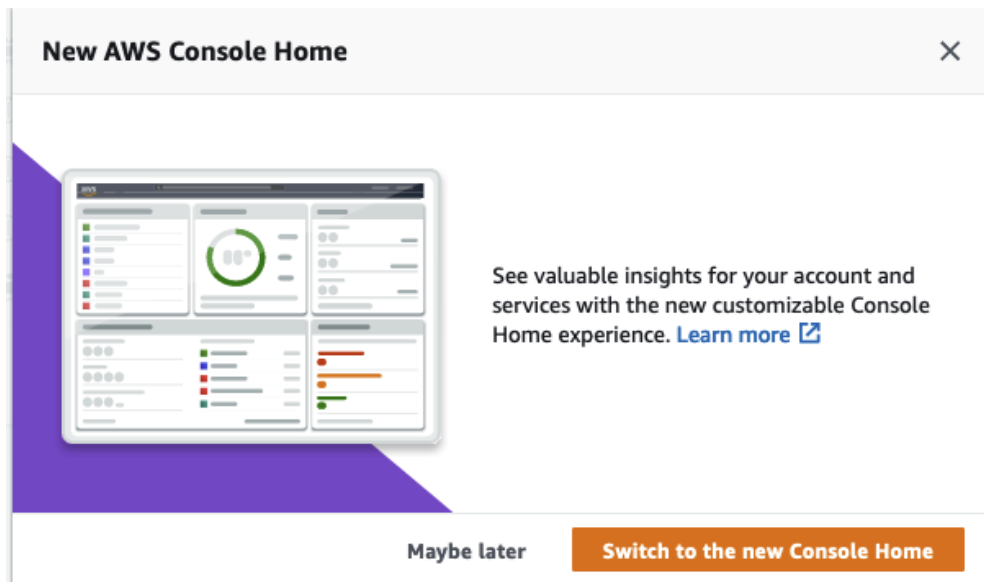

Checkout the AWS CLI documentation here: <https://docs.aws.amazon.com/cli/latest/userguide/cli-chap-welcome.html>

OK

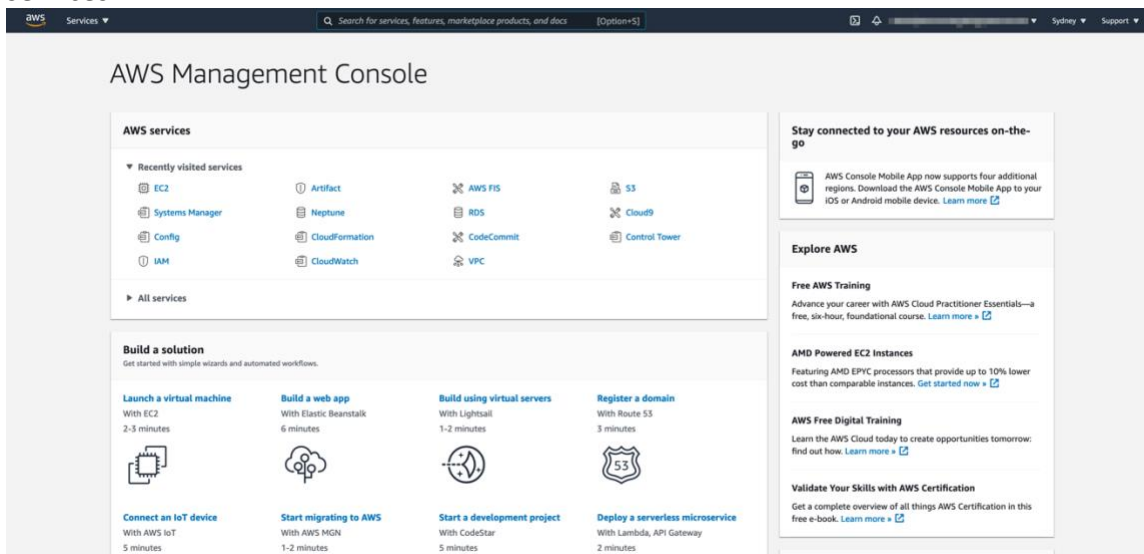

Click **OK**

You are now at the AWS Console, from here you can access the AWS services.

When prompted to use new AWS Console Home, select **Maybe later**.

You can either search for a service using the Search box at the top of the page or browse through the services by clicking on **All Service**. Take a moment to have a look at the list of services.

Let's get started
You are ready to proceed with the rest of the workshop.
